

## **CURIOUS ABOUT COMPUTER SCIENCE RESEARCH? LOOKING TO GAIN SKILLS RELATED TO CS RESEARCH?**

---

**Join Barnard BEARS: Better, Enhance, and Advance Research Series, a new exciting program introducing Barnard students to what a career in Computer Science research might look like. You will hear from excellent CS women faculty about their experience in Computer Science research, be matched with a small group of peers and a local PhD student or postdoc based on overlapping research interests (such as security, theory, natural language processing, data science, machine learning, networks, human-computer interaction, and robotics), and develop a tight-knit community of Barnard women interested in Computer Science research.**

---

**Who:** Current Barnard students interested in majoring in Computer Science or a related field

**When:** Fall 2020 - Spring 2021; Three events each month starting October 19th

**Requirements:** Enrollment in either the Fall or Spring semester for the 2020-2021 academic year at Barnard

**Application opens: Monday September 27th**  
**Application Closes: Monday October 5th**  
**Program starts: Monday October 12th**

**Apply at: <https://forms.gle/DpQnzSM7tBaAGnyf8>**

**Additional questions can be directed to Dr. Adam Poliak and Dr. Sarah Morrison-Smith at [bears@barnard.edu](mailto:bears@barnard.edu).**
